Principal's Report

Higher School Certificate Examinations continue this week for our Stage 6 students who will sit examinations in Mathematics General, Mathematics, Chemistry and Community and Family Studies. Our Visual Arts students will also have their artworks assessed by a team of HSC markers on October 23rd, who will travel to Coleambally to mark the artworks onsite. Our best wishes are with these

students and we look forward to hearing about their successes when HSC results become available to students from 6am on Wednesday, 16th December 2015. As in previous years, they will also be available to students via their secure Students Online accounts.

Year 6 into 7

Year 6 students from Coleambally Central School, St. Peter's and Darlington Point Public School commenced their transition into the secondary department last Friday with a full day of study across a wide variety of subjects. The students appeared to thoroughly enjoy their day and any nerves quickly disappeared. I would like to thank their current Year Advisor Mrs Taylor and our teachers for providing such a wonderful introduction to high school life for our new students and our secondary students for welcoming our newest members in such a positive way. Also thanks to Mr Woodman for cooking the barbeque we enjoyed for lunch. The transition program continues over the next two Fridays which will enable the students to experience all subjects on offer in Year 7. We look forward to seeing Year 6 again next Friday for another exciting discovery day.

Duke of Edinburgh

Approximately 20 secondary students are in pursuit of the Duke and Edinburgh Award in Tumbarumba this Monday and Tuesday under the supervision of Mrs. Strachan and some generous parents who are supporting the students during their time away. This invaluable experience is a transformative expedition that challenges our students to set and meet goals on the path to self-improvement forging qualities of strength, resolve and commitment that will hold them in good stead throughout life. We are very much looking forward to hearing of their progress over the next two days.

Primary Class Structure 2016

The following class structures will operate in 2016 in the Primary department.

K/1	Mrs. Dianna Tooth
Year 1/2	Mrs. Janine Foster
Year 3	Mrs. Penelope Lothian
Year 4	Miss Danielle Flack
Year 5/6	Mr. Dave Watts

Primary Booklist requirements are in the process of being finalised and will be sent home this week. Any queries regarding our Primary classes should be directed to the school on 0269 544 131.

Year 7-10 Yearly Examinations

Year 7-10 Examinations will commence on Monday 2nd November (Week 5) for our Stage 4 and 5 students across all subjects currently undertaken in secondary. An examination timetable will be distributed to students shortly. Students are reminded that consistent revision of their work is crucial to success and an exceptionally good habit to get into as they move closer to senior study. A secondary Parent/Teacher Interview evening is scheduled for Monday 23rd November from 3.45pm - 6.00pm to discuss any concerns you may have regarding your child's learning. An appointment sheet will be given to students closer to the date for your convenience.

PBL Whole School BBQ Wednesday 21 October

To celebrate the Responsible, Safe and Respectful behavior that our students have been exhibiting over the last 12 months, we are providing a free Sausage Sizzle to acknowledge these outstanding behaviors. Well done Coleambally Central School!

Maths we love maths

In kinder we use dominoes to learn how to add numbers. We sit in groups and take it in turn To count the dots on the domino and then we have to add the 2 numbers together

Why was the maths book sad?

Basketball

Damien Curry is coming to CCS on Mondays to teach all the primary students how to play basketball. We are learning new skills such as dribbling, jump ball, layup and carry the ball. Basketball is a fun game we are all enjoying learning how to play.

Did you know that a layup is a close shot taken after dribbling to the basket. A brick is a poor shot that bounces hard off the rim or backboard

Because it has too many problems!!!!
