## Principals Report

On Thursday evening close to 200 guests and teachers bid the Class of 2016 a very warm goodbye. It was a fantastic event and we as a school community will miss this group's presence enormously. Thank you to all the community members, staff and students who helped to ensure that the night was such a wonderful success and a fitting end to thirteen years of school. Thank you to Kim Mannes for her creative flair with the fantastic decorations and styling, to Sharon Breed and Alison DeMamiel for their exquisite farewell cake and desserts and to Justine Whelan for overseeing the organisation and smooth running of the night. Thank you also to Mr Burton and Year 11 for their help in setting up the auditorium.

## Aspire Me Art Camp

On Thursday and Friday last week, Mrs Lothian travelled to Moulamein Public School with Hannah Singh and Sarah Vremaric to participate in this fantastic initiative. This Visual Art Camp included a series of intensive art workshops and an overnight stay. The planned activities were designed to tap into students' creativity and provide them with guidance to develop their artistic talent. The girls had a fantastic time and learnt many new skills to further their talents as budding young artists. Thank you to Mrs Lothian for being involved.

## Kruki Summer School

Congratulations to Chelsea Haas-Williams, Skye Birch and Latisha Morgan-Murray for their selection to participate in the Kruki Summer Camp held at the University of New England in Armidale this week. This camp recognises those students who have a passion for science and medicine and I'm sure the girls will thoroughly enjoy the experience and be motivated to follow this career path once they leave school.

## Secondary Cricket at Barellan

Congratulations to our cricketers who played Barellan at Barellan on Tuesday. The boys weathered the heat and continued with their victorious progress, achieving a spot in the State finals to be held at Dubbo next week.

## HSC Readiness Program

Last week Stage 6 students completed their respective All My Own Work and Crossroads programs in order to better prepare them for Year 11 and 12. These mandatory courses were complemented by information supplied by the Head Teachers, Mrs Jay, Mrs Strachan and Mrs Pretty on study techniques, ALARM, mindfulness and relaxation strategies to support our students to be better focused for the 2017 HSC.
