Principal's Report

Congratulations to Jack Cullen (Year 9), Chris Hayes and Harry Tooth (Year 10) for gaining a place in the prestigious U15s Riverina AFL side to compete against teams from all over the state this June in Albury. We wish the boys the best of luck. I'm sure their talent will lead the Riverina side to many victories over the duration of the carnival.

Stage 6 Parent/Teacher Interviews

This Thursday 5th May, there will be an opportunity for parents to meet with their child's teacher to discuss Preliminary progress and reports and to touch base about requirements for the Higher School Certificate course. The interviews will commence from 3.45-6.00pm in the library.

If this afternoon does not suit please contact the school to make an alternate appointment. Students have been given a booking sheet to provide to their teacher with parents preferred timeslots. Thank you.

Primary Literacy helpers

Attached to this newsletter is a Literacy Helper Interest Form. We are endeavouring to support our student literacy growth through intensive reading support and would like to invite parents or grandparents who would be available for one or more blocks of time from 9.30-11.00am one or more days a week to listen to our students read. I'm sure the students would be very excited to see some new faces. If you are interested please complete the Literacy Helper Form and return back to the office by the end of the week.

A Volunteer Working with Children Check is also required and can be accessed and completed free of cost from the following website:

<http://www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check/about-the-check/volunteers-and-students>

This is an exciting initiative and we look forward to working with you. More information will follow after rosters have been established. It should be noted some classes will require more or less helpers due to the size and needs of the class. Thank you for your support.

NAPLAN May 10th - 12th 2016

Just a reminder to parents and students that the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. For further details please contact the school or access the following link:

PBL Focus

PBL continued its successful run after our sport lessons last term. We still have great prizes to give away to students who are safe, respectful and responsible. The first PBL lesson in term two will be on catching buses and safely getting home.

Have a great week.
