Principal's Report

This week students from Years 7-10 will receive their examination timetables for the Week 5 examination period. I would urge students to commit to their studies this week to ensure that they are well prepared for their examinations. As per our assessment policy, if a student is aware that they will be absent from school during this period please inform the teacher and the Head teacher. A suitable time will be arranged where missed examinations can be caught up. If the student is away unexpectedly on the examination day, the student needs to make sure the absence is explained in writing and given to the office, on the first day back from the absence. The student will then need to complete the examination at the first available opportunity.

Literacy Initiatives Update

This week we continue with our whole school literacy focus on **Predicting**. Teachers and students will focus on this strategy to assist in developing their reading and comprehension skills. Next week we will unpack the next learning strategy which is **Visualising**. A new **Visualising** poster will be attached to next week's newsletter.

K-6 Parent Literacy helpers

Thank you to those parents and grandparents who have offered to assist in our primary classrooms to support our students and teachers in developing our student's literacy skills. A note has been sent home to all our valued volunteers with further information regarding this initiative. Thank you again for your generosity.

NRL success

Congratulations to Thomas Fattore and Thomas Bowditch for their selection in the Under 15s Riverina NRL team. Unfortunately, Tom Bowditch was hampered by an injured thumb and was unable to play. Congratulations to Joshua Fattore for his selection in the NSW CHS Southern Division Opens. Outstanding efforts from all boys to reach this level in NRL.

Rugby League/League Tag

On Wednesday Coly Central's Open's Girl's League-Tag and Boy's Rugby League teams travelled to Hay to compete in the first round of the Small Schools Rugby League Knockout. The girl's team was a good mix of seniors and juniors and it was great to see them working together. Unfortunately they lost to Hay but they gained some good field position and never gave up in defence.

The boys also had a good mix of players, with some switching codes from AFL. They played with high energy and intensity to hold the lead the entire game - winning the game 34-10. Congratulations to the boys who now go onto the next round in the competition.

Well done to all the players, especially those not so experienced in League and League-Tag, it was great to see the teams working so well together. Also a big thank you to Ben Smith for driving the bus on the day.
