### Kindergarten 2022

After a rocky start due to covid restrictions we welcomed our Kindergarten students for 2022. The orientation program began last week and the students have now attended 2 of the 7 scheduled sessions. Mrs Foster said the students will settle in to life at Coleambally Central School extremely well.

### Tell Them From Me

Information regarding the 'Tell Them From Me' survey is included in this newsletter. We encourage you to let us know your thoughts so we can continue to improve and develop our school policies and create the best learning environment we can.

### School Hats

The school bucket hats have now been distributed to all secondary students, if your child has not received a hat please ask them to come to office to get one. Hopefully next week we will have some photos!!

## Information for Parents on the Tell Them From Me Survey 2021

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey **will typically take 15 minutes** or less to complete and is completely confidential. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

More information about the survey is available at: [education.nsw.gov.au/ttfm](http://education.nsw.gov.au/ttfm). To access the survey for our school go to: <http://nsw.tellthemfromme.com/p7q6s>

**Survey closes 26<sup>th</sup> November 2021**

The survey is available in 23 languages.
